EXPERIENCE

Academic Enrichment Program Tutor

Morgan State University

Baltimore, MD

August 2025 – Present

- Providing one-on-one and group tutoring in Computer Science and Mathematics to strengthen problem-solving and academic confidence for students and student-athletes.
- Supporting students beyond academics by connecting them to campus resources, creating a welcoming environment that promotes retention, and planning monthly programs in the Athletics Lab to help students connect and learn collaboratively.

Associate Web Developer Intern

Crownherit Multiresources

Remote

October 2022 – September 2023

- Integrated third-party payment (Flutterwave) and shipping solutions to streamline online transactions, while maintaining seamless website updates with **HTML** and **CSS**.
- Assisted with website content by editing text and images using CorelDRAW, ensuring images aligned with site branding.

PROJECTS

Clippey

- Developed a **Chrome extension that tracks and stores clipboard history** to solve macOS's lack of native clipboard management, utilizing JavaScript, HTML/CSS, and **Chrome APIs** to enhance user productivity.
- Designed and implemented a user-friendly interface for Clippey using **Figma** and custom **CSS**, improving user experience and branding clarity while streamlining text capture workflows across devices.

Personal Portfolio

- Built a responsive personal website using **HTML**, **CSS**, and **JavaScript** to showcase personal skills and contact information.
- Enhanced UX with **CSS** animations such as hover effects, smooth animation transitions, and modal pop-ups.

LEADERSHIP AND INVOLVEMENT

Outreach and Partnerships Coordinator

Morgan State Women In Computer Science (WICS)

Baltimore, MD

May 2025 – Present

- Spearheading sponsorship outreach efforts for Women in Computer Science (WiCS), securing over **\$5,000 in funding from corporate partners** to support event programming, and enabling new opportunities for student professional growth.
- Built and maintained relationships with industry partners, aligning organizational needs with sponsor interests to create **mutually beneficial partnerships**.

Vice President

Morgan Hacks

Baltimore, MD

May 2025 – Present

- Leading cross-functional planning, partnerships, and team operations for the upcoming 2026 event.

Registration Team Lead and Transportation Coordinator

October 2024 – April 2025

- **Led end-to-end registration and logistics** for **Maryland's largest HBCU-hosted hackathon**, streamlining onboarding via Jotform, coordinating with cross-functional teams to ensure a seamless attendee experience
- Managed transportation efforts by coordinating with bus companies and managing real-time communication with 30+ students, ensuring safe, timely, and well-informed travel to and from the event.

Other Interests: Storytelling, Content Creation ([YouTube](#)), Video Editing, Event Planning, Braiding, Volunteering.
